## 2010 Mid-Winter Break Epee Fencing Camp for beginners and intermediates

One week of an Epee Fencing Camp for Kids  
9 to 16 years old

The Toronto Fencing Club has been instructing children and adults in the sport of fencing since 1998. We work with everyone from ages 9 year-old to internationally-ranked adults.

With many different ways to score points, size is not a major factor in fencing.

ing. The sport allows for a high degree of creativity and individual style. Fencing is an entertaining and intense sport with a long tradition and unique etiquette.

As well as fencing, children will spend time in a variety of other games and activities with an emphasis on fitness, skill development and fun. Camper to

coach/counselor ratio will be 8:1. The camp runs daily from 9:00am to 5:00pm. On camp days, please make sure your child is wearing comfortable clothing and running shoes. All campers should bring their own lunch, water bottle and make sure they have a pair of clean running shoes for indoor. Fencing equipment will be supplied by Toronto Fencing Club.
